Fagron Neogen™

[UK]
Instructions for use

NeoOil™
Oil
5 ml x 4 units

Description:
Hair oil with a patented TrichoTech™ technology, based on plant extracts, 100% natural. Rich in essential oils that hydrate and restore the scalp and hair fiber.

Intended use:
It helps hydration and restoring of scalp and hair. Sebo-regulator. For all hair types. Use 1 to 2 times per week.

Directions for use:
Apply half-ampoule of NeoOil™ Oil uniformly on the scalp before washing. Use the remaining quantity applying it from hair root to hair ends. After massaging, leave the product on for 10 minutes. Wash your hair with NeoWash™ Shampoo.

Warnings:
External use only. Keep out of reach of children.

Storage conditions:
Store below 25°C.

Ingredients:
Persea gratissima oil, Simmondsia chinensis seed oil, Argania spinosa kernel oil, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Lavandula angustifolia herb, Melaleuca alternifolia leaf oil, Eucalyptus globulus leaf oil, Tocopheryl acetate.

NeoWash™
Shampoo
200 ml

Description:
Shampoo with patented TrichoTech™ technology based on plant extracts, 100% natural. It cleans, hydrates and softens hair, maintaining hair physiology.

Intended use:
It cleans scalp and hair. It contains soft surfactants that respect the hydrolipidic mantle. It provides hydration and repairs hair fiber. For all hair types.

Directions for use:
Apply a small amount to wet hair and scalp, massage for 2 minutes and rinse thoroughly with water. Repeat. Avoid contact with eyes. Its unique formula complements the treatment of NeoOil™ Oil and NeoCond™ Conditioner.

Warnings:
External use only. Keep out of reach of children.

Storage conditions:
Store below 25°C.

Ingredients:
Aqua, Sodium laureth sulfate, PEG-90M, Cocamide dea, Oleyl betaine, Lauryl glucoside, Tamarindus indica fruit extract, Parfum, PEG-120 Methyl glucose dioleate, Phenoxyethanol, Styrene / Acrylates copolymer, Guar hydroxypropyltrimonium chloride, Hydroxypropyl methylcellulose, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb, Eucalyptus globulus leaf oil, Citric acid, EDTA disodium.

NeoCond™
Conditioner
200 ml

Description:
Conditioner with patented TrichoTech™ technology, based on plant extracts, 100% natural. It maintains hair physiology, hydrates, softens and restores hair cuticle.

Intended use:
It helps the recovery and nutrition of hair. Favours sealing of hair cuticles and repairs the hair fiber. Increases resistance, lightness and vitality of hair. For all hair types.

Directions of use:
Apply uniformly after NeoWash™ Shampoo, paying special attention to the hair ends. Leave on 2-3 minutes and rinse thoroughly with water.

Warnings:
External use only. Keep out of reach of children.

Storage conditions:
Store below 25°C.

Ingredients:
Aqua, Cetearyl alcohol, Glycerin, Cetyl lactate, PEG-90M, PPG-14 Butyl ether, Parfum, Tamarindus Indica fruit extract, Behentrimonium methosulfate, Stearamidopropyl dimethylamine, Simmondsia chinensis seed oil, Phenoxyethanol, Tocopheryl acetate, Hydroxyethylcellulose, Hydrolyzed rice protein, Argania spinose kernel oil, Persea gratissima oil, Triticum vulgare germ oil, Polyquaternium-67, Polyquaternium-10, Carbocysteine, Serine, Glutamic acid, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb oil, Eucalyptus globulus leaf oil, Lactic acid, EDTA disodium.

Prospecto

NeoOil™
Aceite capilar
5 ml x 4 unidades

Descripción:
Aceite capilar con tecnología patentada TrichoTech™, a base de extractos vegetales, 100% natural. Rico en aceites esenciales que hidratan y restauran el cuero cabelludo y la fibra capilar.

Indicaciones:
Ayuda a la hidratación y restauración del cuero cabelludo y pelo. Seborregulador. Para todo tipo de cabello. Usar de 1 a 2 veces por semana.

Modo de empleo:
Aplicar, antes del lavado, el contenido de media ampolla de NeoOil™ Aceite capilar de manera uniforme sobre el cuero cabelludo y a continuación aplicar el resto del producto en todo el cabello, de raíz a puntas. Después de masajear, dejar actuar el producto durante 10 minutos y lavar el cabello con NeoWash™ Champú.

Advertencias:
Para uso externo. Mantener fuera del alcance de los niños.

Condiciones de conservación:
Guardar por debajo de 25°C.

Ingredientes:
Persea gratissima oil, Simmondsia chinensis seed oil, Argania spinosa kernel oil, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Lavandula angustifolia herb, Melaleuca alternifolia leaf oil, Eucalyptus globulus leaf oil, Tocopheryl acetate.

NeoWash™
Champú
200 ml

Descripción:
Champú con tecnología patentada TrichoTech™, a base de extractos vegetales, 100% natural. Limpia, hidrata y suaviza manteniendo la fisiología capilar del cabello.

Indicaciones:
Limpia cuero cabelludo y cabello. Contiene tensioactivos suaves que respetan el manto hidrolipídico. Hidrata y repara la fibra capilar. Para todo tipo de cabello.

Modo de empleo:
Aplicar una pequeña cantidad sobre el cabello y el cuero cabelludo húmedos, masajear durante 2 minutos y aclarar abundantemente con agua. Repetir. Evitar el contacto con los ojos. Su fórmula exclusiva complementa el tratamiento de NeoOil™ Aceite capilar y NeoCond™ Acondicionador.

Advertencias:
Para uso externo. Mantener fuera del alcance de los niños.

Condiciones de conservación:
Guardar por debajo de 25°C.

Ingredientes:
Aqua, Sodium laureth sulfate, PEG-90M, Cocamide dea, Oleyl betaine, Lauryl glucoside, Tamarindus indica fruit extract, Parfum, PEG-120 Methyl glucose dioleate, Phenoxyethanol, Styrene / Acrylates copolymer, Guar hydroxypropyltrimonium chloride, Hydroxypropyl methylcellulose, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb, Eucalyptus globulus leaf oil, Citric acid, EDTA disodium.

NeoCond™
Acondicionador
200 ml

Descripción:
Acondicionador con tecnología patentada TrichoTech™, a base de extractos vegetales, 100% natural. Mantiene la fisiología capilar, hidrata, suaviza y restaura la cutícula del cabello.

Indicaciones:
Ayuda a la recuperación y nutrición del cabello. Favorece el sellado de las cutículas capilares y repara la fibra capilar. Más resistencia, ligereza y vitalidad. Para todo tipo de cabello.

Modo de empleo:
Aplicar uniformemente después de NeoWash™ Champú, prestando especial atención a las puntas. Dejar actuar durante 2-3 minutos y aclarar abundantemente con agua.

Advertencias:
Para uso externo. Mantener fuera del alcance de los niños.

Condiciones de conservación:
Guardar por debajo de 25ºC.

Ingredientes:
Aqua, Cetearyl alcohol, Glycerin, Cetyl lactate, PEG-90M, PPG-14 Butyl ether, Parfum, Tamarindus Indica fruit extract, Behentrimonium methosulfate, Stearamidopropyl dimethylamine, Simmondsia chinensis seed oil, Phenoxyethanol, Tocopheryl acetate, Hydroxyethylcellulose, Hydrolyzed rice protein, Argania spinose kernel oil, Persea gratissima oil, Triticum vulgare germ oil, Polyquaternium-67, Polyquaternium-10, Carbocysteine, Serine, Glutamic acid, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb oil, Eucalyptus globulus leaf oil, Lactic acid, EDTA disodium.

Φύλλο οδηγιών χρήσης

NeoOil™
Oil
5 ml x 4 τεμάχια

Περιγραφή:
Έλαιο μαλλιών που διαθέτει την πατενταρισμένη τεχνολογία TrichoTech™, βασισμένη σε ένα ευφυές εκχύλισμα, 100% φυτικό, πλούσιο σε αιθέρια έλαια που ενυδατώνει και αναδομεί το τριχωτό της κεφαλής και την τρίχα.

Προβλεπόμενη ενδεδειγμένη χρήση:
Βοηθά στην ενυδάτωση και αποκατάσταση του τριχωτού της κεφαλής και της τρίχας, ενώ επίσης αποτελεί και ρυθμιστικό παράγοντα έκκρισης του σμήγματος. Ιδανικό για όλους τους τύπους μαλλιών. Εφαρμόστε 1 με 2 φορές την εβδομάδα.

Οδηγίες χρήσης:
Πριν από το λούσιμο εφαρμόστε τη μισή ποσότητα του ενός περιέκτη NeoOil™ Oil ομοιόμορφα στο τριχωτό της κεφαλής και στη συνέχεια εφαρμόστε την υπόλοιπη ποσότητα από την ρίζα των μαλλιών έως τις άκρες. Αφού κάνετε μασάζ, αφήστε το προϊόν να δράσει για 10 λεπτά. Ξεπλύνετε τα μαλλιά σας με το NeoWash™ Shampoo.

Προσοχή:
Μόνο για εξωτερική χρήση. Να φυλάσσεται μακριά από παιδιά.

Συνθήκες αποθήκευσης:
Φυλάσσεται σε θερμοκρασία χαμηλότερη των 25°C.

Συστατικά:
Persea gratissima oil, Simmondsia chinensis seed oil, Argania spinosa kernel oil, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Lavandula angustifolia herb, Melaleuca alternifolia leaf oil, Eucalyptus globulus leaf oil, Tocopheryl acetate.

NeoWash™
Shampoo
200 ml

Περιγραφή:
Σαμπουάν που διαθέτει την πατενταρισμένη τεχνολογία TrichoTech™, βασισμένη σε ένα ευφυές εκχύλισμα, 100% φυτικό. Καθαρίζει, διατηρεί τη φυσιολογία των μαλλιών, ενυδατώνει και μαλακώνει την τρίχα.

Προβλεπόμενη ενδεδειγμένη χρήση:
Καθαρίζει το τριχωτό της κεφαλής και τα μαλλιά. Περιέχει απαλές επιφανειοδραστικές ουσίες που σέβονται τον υδρολιπιδικό μανδύα. Παρέχει ενυδάτωση και επανορθώνει τη δομή της τρίχας. Ιδανικό για όλους τους τύπους μαλλιών.

Οδηγίες χρήσης:
Εφαρμόστε μια ικανοποιητική ποσότητα σε υγρά μαλλιά και τριχωτό κεφαλής, κάντε απαλό μασάζ για 2 λεπτά και ξεπλύνετε με άφθονο νερό. Επαναλάβετε. Αποφύγετε την επαφή με τα μάτια. Η μοναδική του φόρμουλα αποτελεί συμπληρωματική θεραπεία συνδυαζόμενη με τα προϊόντα NeoOil™ Oil και NeoCond™ Conditioner.

Προσοχή:
Μόνο για εξωτερική χρήση. Να φυλάσσεται μακριά από παιδιά.

Συνθήκες αποθήκευσης:
Φυλάσσεται σε θερμοκρασία χαμηλότερη των 25°C.

Συστατικά:

Foglietto illustrativo

NeoOil™
Olio nutriente per capelli
5 ml x 4 monodosi

Descrizione:
Olio per capelli con tecnologia brevettata TrichoTech™, a base di estratti vegetali, 100% naturale. Ricco in oli essenziali che idratano e ripristinano gli acidi grassi di cuoio capelluto e fibra del capello.

Indicazioni d'uso:
Supporta e ripristina l'idratazione dal cuoio capelluto al fusto. Seboregolatore. Indicato per tutti i tipi di capelli. Usare 1 o 2 volte a settimana.

Istruzioni per l'uso:
Applicare, prima del lavaggio, metà del contenuto della fiala di NeoOil™ Olio nutriente sul cuoio capelluto in maniera uniforme e infine applicare il resto del prodotto su tutto il capello, dalla radice alle punte. Dopo aver massaggiato, lasciare il prodotto in posa per 10 minuti. Lavare i capelli con NeoWash™ Shampoo.

Avvertenze:
Esclusivo uso esterno. Tenere fuori dalla portata dei bambini.

Condizioni di conservazione:
Conservare ad una temperatura inferiore a 25°C.

Ingredienti:
Persea gratissima oil, Simmondsia chinensis seed oil, Argania spinosa kernel oil, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Lavandula angustifolia herb, Melaleuca alternifolia leaf oil, Eucalyptus globulus leaf oil, Tocopheryl acetate.

NeoWash™
Shampoo
200 ml

Descrizione:
Shampoo con tecnologia brevettata TrichoTech™, a base di estratti vegetali, 100% naturale. Lava delicatamente mantenendo la fisiologia del capello. Idrata ed ammorbidisce i capelli.

Indicazioni:
Indicato per il lavaggio di capelli e cuoio capelluto. Contiene una miscela di tensioattivi delicati per preservare il mantello idrolipidico. Idrata e supporta la riparazione delle fibre del capello. Indicato per tutti i tipi di capelli.

Istruzioni per l'uso:
Applicare una piccola quantità di prodotto sul cuoio capelluto e sui capelli bagnati, massaggiare per due minuti e risciacquare abbondantemente con acqua. Ripetere l'operazione. Evitare il contatto con gli occhi. Formulazione unica che completa il trattamento con NeoOil™ Olio nutriente e NeoCond™ Balsamo.

Avvertenze:
Esclusivo uso esterno. Tenere fuori dalla portata dei bambini.

Condizioni di conservazione:
Conservare ad una temperatura inferiore a 25°C.

Ingredienti:
Aqua, Sodium laureth sulfate, PEG-90M, Cocamide dea, Oleyl betaine, Lauryl glucoside, Tamarindus indica fruit extract, Parfum, PEG-120 Methyl glucose dioleate, Phenoxyethanol, Styrene / Acrylates copolymer, Guar hydroxypropyltrimonium chloride, Hydroxypropyl methylcellulose, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb, Eucalyptus globulus leaf oil, Citric acid, EDTA disodium.

NeoCond™
Balsamo
200 ml

Descrizione:
Balsamo con tecnologia brevettata TrichoTech™, a base di estratti vegetali, 100% naturale. Supporta la fisiologia dei capelli, idrata, ammorbidisce e ripristina la cuticola.

Indicazioni:
Aiuta a nutrire e idratare i capelli. Favorisce la chiusura delle cuticole e aiuta a riparare la fibra dei capelli conferendo più resistenza, leggerezza e vitalità. Indicato per tutti i tipi di capelli.

Istruzioni per l'uso:
Applicare in maniera uniforme dopo il lavaggio con NeoWash™ Shampoo, in particolare su tutta la lunghezza dei capelli. Lasciare agire per 2-3 minuti e risciacquare con acqua.

Avvertenze:
Esclusivo uso esterno. Tenere fuori dalla portata dei bambini.

Condizioni di conservazione:
Conservare ad una temperatura inferiore a 25°C.

Ingredienti:
Aqua, Cetearyl alcohol, Glycerin, Cetyl lactate, PEG-90M, PPG-14 Butyl ether, Parfum, Tamarindus Indica fruit extract, Behentrimonium methosulfate, Stearamidopropyl dimethylamine, Simmondsia chinensis seed oil, Phenoxyethanol, Tocopheryl acetate, Hydroxyethylcellulose, Hydrolyzed rice protein, Argania spinose kernel oil, Persea gratissima oil, Triticum vulgare germ oil, Polyquaternium-67, Polyquaternium-10, Carbocysteine, Serine, Glutamic acid, Rosmarinus officinalis leaf oil, Juniperus communis fruit oil, Juniperus virginiana wood oil, Amyris balsamifera bark oil, Melaleuca alternifolia leaf oil, Lavandula angustifolia herb oil, Eucalyptus globulus leaf oil, Lactic acid, EDTA disodium.
